Update on Wireless, Semi-Automatic Timing System Use in Sanctioned Competition

Wireless systems such as the Dolphin, Swimmingley, Wylas and Time Drop may be used as semi-automatic timing systems to conduct a USA Swimming-sanctioned competition as long as those systems are operated within:

- (1) the requirements of the USA Swimming Rulebook and
- (2) follow the manufacturer's specifications.

Please review required protocols by clicking [here](#) for the USA Swimming Meet 360 guide.

USA Swimming Applicable Rules for semi-automatic timing are found in section 102.23 of the [USA Swimming Rulebook](#).

Webinars & Digital Resources

CLBMS 201

- **November 4:** Learn more [here](#). Register [here](#).
