## 2024 USA Swimming 18 & Under Spring Cup

Swimmers may enter the 18 & Under Spring Cup through USA Swimming's Online Meet Entry (OME) system at (<https://hub.usaswimming.org/landing>) beginning Tuesday, February 13, 2024, at 11:00 am Mountain Time.

The entry deadline is Noon Mountain Time on Tuesday, April 23, 2024, or until the site's capacity limit has been reached. The qualification period is December 1, 2022 through the entry deadline. Entries are not accepted until they have been officially submitted in the OME system.

<b>LOCATION</b>	Please refer to the enclosed map to see 18 & Under Spring Cups sites.
<b>SANCTION</b>	This meet is held under the sanction of USA Swimming. If an athlete establishes a Paralympic or USMS record, it is up to that swimmer to request all necessary information and signatures prior to the end of the session in which the performance occurred. Each site will be surveyed by the specific host to ensure compliance with facility regulations.
<b>ELIGIBILITY</b>	These events are open to swimmers who are 2024 Premium or Outreach members of USA Swimming, and who have achieved the published time standard in one or more events. Swimmers with one or more qualifying standards may swim up to two bonus events.
<b>FORMAT</b>	These events will be conducted in LCM. The 800m and 1500m freestyle events will be timed final events. All other individual events will be conducted as preliminaries and finals with the fastest 24 swimmers from preliminaries advancing to finals. The order of the final events shall be C, B and A (bonus, consolation and championship). At the Meet Referee's discretion, preliminary sessions may be conducted in flights. Information on flighting, if any, will be provided during the Technical meeting. A Ready Room will be used to assemble and parade "A" finalists and the fastest seeded heats of 800m and 1500m freestyle swimmers. These swimmers must report to the Ready Room no later than five minutes preceding the "Parade Time" for the event.
<b>SCHEDULE</b>	Prelims: 9:00 a.m., Finals: 5:00 p.m.  The venues will be available for practice Noon-8:00 p.m. the day prior to competition, and 7:00am – until one hour after the conclusion of the evening session on competition days.
<b>SEEDING</b>	Events shall be seeded in order of LCM, SCY, non-conforming LCM, non-conforming SCY and then any bonus entries in the same order.
<b>TECHNICAL MEETING</b>	There will be a virtual (Zoom-based) technical meeting the evening prior to Day 1 events at 7:00 p.m. local time. Details will be sent to each coach. Coaches are encouraged to check the USA Swimming website for last minute details about the event. Participating coaches and athletes are responsible for all information in this document, distributed at the technical meeting, and posted on the event website.
<b>DISTANCE EVENTS</b>	The 800m and 1500m freestyle events will be swum as timed finals. Swimmers may qualify for these events using any of the 800m/1000yd or 1500m/1650yd qualifying standards (i.e. the conforming or non-conforming distance event standards). All but the fastest-seeded heats of women's and men's distance freestyle events will be swum slowest to fastest, alternating women's and men's heats, with the second-fastest seeded heat of men's distance events scheduled to finish approximately one hour prior to the start of the evening session, preceded by the second-fastest seeded women's heat, alternating back to the start time. The fastest-seeded heats of women's and men's distance freestyle events will be swum in event order during the finals session.

All swimmers entered in the 800m and 1500m Freestyle events must be positively checked-in prior to the scratch deadline to compete in the event. Swimmers entered in these events may, when they check-in, indicate their preference to swim the event in the preliminary session. The fastest heat of swimmers that state no preference shall be seeded to compete in the finals session. A swimmer or coach should clearly write "AM" next to the swimmer's name when they check-in if they desire to swim in the preliminary session.

***Scratches and positive check-in for Day 1 can be done by email to the site's Administrative Referee or at the Resolution table prior to the deadlines. Scratches and positive check-in for the remaining days can be done at the Resolution Table.***

## **RULES**

Unless otherwise noted herein, this meet shall be conducted in accordance with current USA Swimming Rules and Regulations. A Meet Committee consisting of at least one official, one coach, and one athlete will be appointed by the Meet Referee to review conflicts arising from administrative matters. It is understood and agreed that USA Swimming, the Meet Host(s), Facility Owner(s), and the LSC shall be free from any liabilities or claims for damages arising by reason of injuries to anyone during the conduct of the event. Eligibility and Technical juries consisting of at least one official, one coach, and one athlete will be appointed by the Meet Referee to review protests within their jurisdiction as defined in USA Swimming Rules.

## **WARM UP**

Only feet-first entries are allowed during warm-ups, except in designated lanes and times. No equipment (fins, snorkels, hand paddles, etc.) is permitted in the competition pool at any time. Violations may result in disqualification from next individual event or expulsion from the meet. More detailed warm up procedures will be distributed at registration and during the Technical Meeting.

## **SCORING AND AWARDS**

Team scores will be kept but there will be no team or individual awards. Team scoring will be as outlined in the USA Swimming Rules and Regulations.

## **SWIMS DATABASE**

Times from the following will be in SWIMS, the national times database. Times in the database are not automatic entries to meets.

- A. USA Swimming Sanctioned competition
- B. USA Swimming Approved competition - Check two weeks before the competition to assure the meet has been approved by the LSC, and prior to the start of the competition, ask the Meet Director for the procedure for getting a time into SWIMS.
- C. USA Swimming Observed swims - Be sure a proper request for an Observed Swim is made according to guidelines appearing in the USA Swimming SWIMS Time Module Policy Manual, and prior to the start of the meet, verify that proper procedures are in place for the Observed swim.

Times submitted to the USA Swimming SWIMS database no later than 20 days prior to the Championships will be in the database. If a time for a swimmer is visible in the public search feature on the USA Swimming website (Times/Time Standards) and it was swum in the appropriate qualifying period, it is considered a proven official time. Entry times not proven by the scratch deadline for the event will be considered as false or incorrect times and are subject to action under provisions of the USA Swimming Rules and Regulations.

SWIMS data entry from meets in which time standards were met must be requested from the SWIMS Time Official in the LSC in which the meet was held. LSC officials may charge a fee for data entry requested after the meet ends. These times will not be automatically placed in the database. Times from all major international championships will be automatically entered in the database. Relay lead offs and/or intermediate split times must be requested from the SWIMS Time official in the LSC where the time was achieved. Requesting SWIMS data entry won't enter a swimmer into a competition nor place a club on the USA Swimming mailing list.

## **RESPONSIBILITY CLAUSE**

The coach, swimmer or swimmer representative who enters a USA Swimming Championship thereby attests that all times stated are true and correct as achieved qualifying times for each event entered. He/she assumes all responsibility for false or incorrect times, or times which are unacceptable under USA Swimming rules, and shall be assessed a \$100 penalty payable to USA Swimming for each such time entered, unless absolved of the fine by USA Swimming or Board of Review. Additional action or penalty may be taken or levied as deemed appropriate by USA Swimming. Such penalty shall also be levied against any USA Swimming verification officer who knowingly entered such a false time(s) into the SWIMS Database. Appeal of fines must be made to the Meet Referee or designee and/or Board of Review. Any appeal of the decision of USA Swimming shall be in accordance with the provisions of Part Four of the USA Swimming Rulebook.

The main competition pool will be reserved the last 60 minutes for swimmers competing in that session's events.

#### **OFFICIALS' INFORMATION**

#### **IMAGE AUTHORIZATION**

All participants agree to be filmed and photographed by the official photographer(s) and network(s) of USA Swimming under the conditions authored by USA Swimming, and allow event organizers the right to use names, pictures, likenesses, and biographical information before, during or after the period of participation in USA Swimming competitions to promote such competitions. All participants agree not to use or authorize use of pictures in the uniforms and equipment provided by USA Swimming for the purpose of trade, without the consent of USA Swimming. Documentation may be required to be submitted well in advance of the meet.

#### **SAFE SPORT**

The USA Swimming Safe Sport program is USA Swimming's comprehensive abuse prevention program dedicated to creating a healthy and positive environment free from abuse for all its members. Components of the program include, but are not limited to, providing education and training, enforcing policies (such as the Minor Athlete Abuse Prevention Policy), rules and best practice guidelines, promoting healthy boundaries and mandatory reporting of violations.

The Minor Athlete Abuse Prevention Policy prohibits Adult Participants (as defined) from having one-on-one interactions with minor athletes which are not within an observable and interruptible distance from another adult. Adult Participants are required to abide by this policy in full during this meet.

Pursuant to USA Swimming Rules and Regulations and federal law, it is every member's responsibility to immediately (i.e., within 24 hours) report any incident of child abuse, including physical or sexual abuse, to law enforcement and the U.S. Center for SafeSport. Reporting must occur when an individual has firsthand knowledge of misconduct or where specific and credible information has been received from a victim or knowledgeable third party. A report to the U.S. Center for SafeSport may be made via telephone at 833-5US-SAFE (833-587-7233) or online at [uscenterforsafesport.org/report-a-concern](https://uscenterforsafesport.org/report-a-concern). Various state laws may also require reporting to law enforcement or to a designated child protection agency.

For information on how to report other alleged violations, including without limitation, the USA Swimming Code of Conduct and the Minor Athlete Abuse Prevention Policy, please visit [usaswimming.org/report](https://usaswimming.org/report).

*All athletes age 18, or who turn 18 during the meet, must complete Athlete Protection Training in order to be a USA Swimming registered member in good standing by the first day of the meet. A member not in good standing will be prohibited from participating in the competition until such time as all membership requirements are completed. Times achieved by an athlete who turns age 18 on or during the meet, who competes in this USA Swimming sanctioned event without completing this membership requirement, will NOT count for qualification or recognition. This includes participation as a member of a relay.*

Each club is responsible for the conduct of its swimmers. Any person who, in the opinion of the Meet Referee, Meet Director or Meet Marshall, is harmful to others or to other's property may be required to leave the competition.

No swimmer will be allowed access to the pool deck without a coach member present. If the home club coach is not planning to attend event, swimmer must designate a supervising coach. Arriving with fellow LSC club/coach is preferred. However, if a swimmer arrives without a coach, he/she must find a willing coach at the facility to sign supervision form before a credential can be issued.

Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement. During warm-up sessions, athletes must enter the water feet-first, except in designated lanes and times. Violations may result in disqualification from next individual event or expulsion from the meet.

Deck changing is prohibited.

Use of audio or visual recording devices, including a cell phone, are not permitted behind the starting blocks during the entire meet and are not permitted in changing areas, rest rooms or locker rooms.

Operation of a drone, or any other flying apparatus, is prohibited over the venue (pools, athlete/coach areas, spectator areas and open ceiling locker rooms) any time athletes, coaches, officials and/or spectators are present.

All U.S. athletes, coaches, and staff expecting to receive a deck pass should be prepared to show proof of current USA Swimming membership. Coaches must meet and have current certifications for all the requirements of coach membership including successfully passing the required background check and APT course.

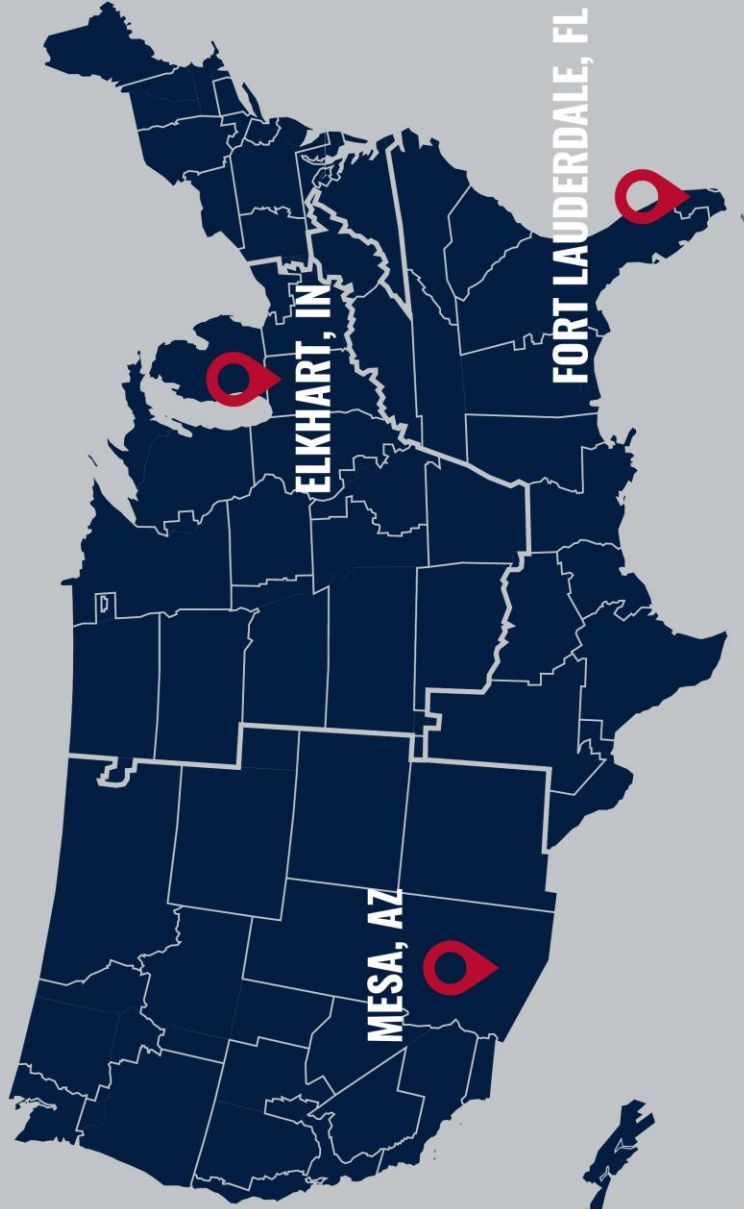

It is understood and agreed that USA Swimming, the Meet Hosts, Facility Owners, Officials, and the LSCs shall be free from any liabilities or claims for damages arising by reason of injuries to anyone during the conduct of the event.
