Team USA Stares Down Medal No. 500

After totaling 38 medals at the 2017 FINA World Championships, Team USA currently sits at 479 total World Championships medals. Needing just 21 medals in Gwangju in 2019, American swimmers will have the chance to give USA Swimming a title that no other country can claim: 500 total World Championships medals.

The accomplishment will be in reach of the American swimmers competing in Gwangju, as Team USA has recorded at least 20 medals in every World Championships swimming competition dating back to 1973. While the United States will be looking to achieve win No. 500 this time around, they hold a commanding lead in the all-time World Championships medal count, sitting ahead of runner-up Australia by 179 medals.

The United States has won the outright medal count in the pool in each of the last 12 FINA World Championships contested since 1986 and will look to extend that streak in Gwangju. Over this span, the U.S. also topped the medal table at the 1988, 1992, 1996, 2000, 2004, 2008, 2012 and 2016 Olympic Games— good for a streak of 20 consecutive major international meets atop the medal table.

Ledecky In Reach of Top Female Medalist Mark

Currently at 15 medals in FINA World Championships competition, **Katie Ledecky** needs six more to pass Natalie Coughlin for most all-time World Championships medals among female competitors. Coughlin reached landmark medal No. 20 at age 31 and in her sixth FINA World Championships appearance, whereas the 22-year-old Ledecky can reach the mark at her fourth FINA World Championships appearance.

Ledecky's current medal total comes via 14 gold and one silver. At the 2017 FINA World Championships, Ledecky took home gold medals in the 400m, 800m and 1500m freestyle, as well as the 4x100m and 4x200m freestyle relays.

Four Americans Look to Punch Tickets to Olympic Games Tokyo 2020

The top-10 finishers of the FINA World Open Water Championships 10k race will earn automatic invitations to compete in the event at the 2020 Olympic Games Tokyo. Four Americans— **Haley Anderson**, **Ashley Twichell**, **David Heron** and **Jordan Wilimovsky**— will be attempting to earn their Olympic spots. Each athlete posted top-10 finishes in the 10k in 2017.

Dressel Searching for Medal No. 10

Caeleb Dressel excelled in Budapest in 2017, winning a gold medal in all seven of his swims in his FINA World Championships debut. This time around in Gwangju, Dressel has the chance to become the seventh American to boast double-digit medals in World Championships history— joining the ranks of Michael Phelps, Ryan Lochte, Nathan Adrian, Aaron Peirsol, Matt Biondi and Matt Grevers. If Dressel can tally three gold medals in Gwangju, he will join Phelps, Lochte and Peirsol as the only Americans with at least 10 gold medals.

2019 FINA World Championships Coaching Staff

usaswimming.org | @USASwimming | @USASwimmingNews | #FINAGwangju2019

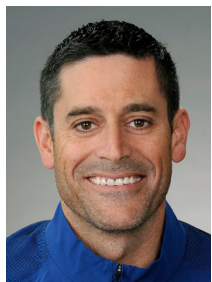

David Durden
Head Coach
Cal/California Aquatics

David Durden, an assistant men's coach for the 2016 U.S. Olympic Team, coached six members of the U.S. men's roster in Rio – Nathan Adrian, Ryan Murphy, Jacob Pebley, Josh Prenot, Anthony Ervin and Tom Shields. This group combined for 11 medals, including four by Adrian and three from Murphy, who

also set a world record in the 100m back. Adrian, Murphy, Ervin and Prenot were all individual medalists.

The 2016 American Swimming Coaches Association Coach of the Year, Durden also served as the head coach for the U.S. men at the 2015 FINA World Championships and was an assistant at the 2011 World Championships and the 2010 Pan Pacific Championships.

On the collegiate front, Durden guided the Golden Bears to a Championship title at the men's 2019 NCAA Championships. He also won three men's NCAA titles in Berkeley (2011, 2012, 2014) and his team has finished first or second at the NCAA Championships in each of the last 10 seasons.

Greg Meehan
Head Coach
Stanford Swimming

Greg Meehan's swimmers made quite an impact on the 2016 U.S. Olympic Swimming Team with Maya DiRado, Simone Manuel and Lia Neal combining to earn nine medals in Rio. DiRado and Manuel were breakout stars, winning four medals each at the Games, five of them in individual events. Manuel

claimed gold in the 100-meter freestyle and silver in the 50m free, while DiRado earned gold in the 200m backstroke, silver in the 400m individual medley and bronze in the 200m IM.

A women's assistant coach for Team USA in Rio, Meehan also guided the Stanford women to back-to-back NCAA Championship titles in 2017, 2018 and 2019 after a runner-up finish at the 2016 NCAA Championships. In 2017, he led five-time Olympic gold medalist Katie Ledecky to a record-setting collegiate debut.

Prior to 2016, Meehan served as an assistant coach for Team USA at the 2015 FINA World Championships and the 2014 Pan Pacific Championships.

Catherine Kase
Open Water Head Coach
USC Swimming

Catherine Kase, an associate head coach at USC, will lead Team USA's open water swimmers for the fourth time in her career. At the 2015 World Championships in Kazan, Russia, Kase coached Team USA to three medals (two gold) and 11 top-10 finishes, resulting in an open water team title and an

open water head coaching position for Team USA at the 2016 Rio Olympics.

During her 11 seasons with the Trojan Swim Club, Kase has helped lead the program to some of its most successful seasons in history, including a 2017 season highlighted by the USC Women's Swimming & Diving program's first Pac-12 title.

Prior to her arrival at USC, Kase was an assistant coach at North Carolina, where she also swam for four years in the distance freestyle before graduating in 2000. Kase resides with her daughter, Carson, and her husband, former UCLA Academic All-American football player, George Kase.

Lindsay Mintenko
National Team Managing Director

A two-time gold medal winner, Lindsay Mintenko has served as USA Swimming National Team Managing Director since 2006.

While serving as U.S. team captain at the 2000 and 2004 Olympic Games, she stood atop the podium as a member of the winning 800-meter freestyle relay team. She added a silver in the

400-meter freestyle relay in 2004.

A 10-time U.S. national champion, 10-time World Championships medalist and five-time medalist at the Pan Pacific Championships, she set numerous USC, American and world records. After five years as a USC assistant coach, she joined USA Swimming.

One of the most decorated swimmers in the legendary University of Southern California program, she was a 21-time All-American. She won five NCAA individual titles - three in the 500-yard freestyle (1996-97-99) and two in the 200-yard backstroke (1996-97) - and helped the Women of Troy to their only NCAA team championship in 1997. In her USC career, she reached the NCAA finals in all 12 individual events in which she competed. She also won six career Pac-10 titles.

Pool Athlete Selection for the 2019 FINA World Championships

A maximum of 26 men and 26 women were selected for the 2019 FINA World Championships pool competition using the following criteria:

Priority #1: The top four finishers in the finals of the 100m and 200m freestyle and the winner of each individual Olympic event.

Priority #2: The second-place finisher in each individual Olympic event.

Priority #3: The winner in each non-Olympic event.

Priority #4: The fifth-place finisher in the 100m and 200m free.

Priority #5: The sixth-place finisher in the 100m and 200m free.

If the above priorities result in a list of more than 26 men or 26 women, integrated international rankings will be used for the selection. If all five priorities are used and the result is fewer than 26 men or 26 women, no additional swimmers will be added. Note: This is an abbreviated version of the selection criteria. For the complete document, visit www.usaswimming.org.

Open Water Athlete Selection for the 2019 FINA World Championships

U.S. open water swimmers were selected from the top finishers in the 10K and 5K races at the 2019 USA Swimming Open Water National Championships May 3 - 5 at Miami Marine Stadium in Miami, Florida. The top two finishers in the 10K automatically earned a spot to compete in the Olympic-distance 10K race at the FINA World Championships in Yeosu, South Korea. The first-place finishers in the men's and women's 5K were selected to swim the 5K at the World Championships. Remaining team vacancies in either the 10K or 25K were filled by place finish in the 10K at Nationals. This is an abbreviated version of the selection criteria; complete details outlining the selection procedures can be found online at usaswimming.org.
