OUTREACH ATHLETE MEMBERSHIP

In 2023, there were 6,896 Outreach members (which are included in the Premium athlete membership totals on pages 8 and 9). Outreach membership offers qualified individuals the opportunity to become a USA Swimming year-round athlete member at a reduced fee. The national fee for outreach membership is \$5.00 and the Local Swimming Committee has the option to set a local fee that may not exceed \$2.00. The goal is to provide opportu-

nities in swimming to under-represented and/or economically disadvantaged youth in the United States. Each Local Swimming Committee determines how they will qualify athletes for outreach membership. They may use but are not limited to national guidelines based on Federal Food Stamps, Free School Lunch and/or Federal Poverty Guidelines.

Flex Athlete Membership

All Flex athletes join USA Swimming through their Local Swimming Committee (LSC), one of 59 local organizations responsible for administering USA Swimming activities in a defined geographical area. Within each LSC, a designated Registration/Membership Chair is responsible for providing registration information to all interested individuals.

Flex athlete membership is for a calendar year period (January- December). New athlete memberships processed on or after September 1 are valid through December 31 of the following year. Flex membership is an option for all LSCs and clubs; they are not required to offer it.

Flex athlete membership provides liability and secondary accident medical insurance coverage.

Seasonal Athlete Membership

SEASON 1 AND SEASON 2: At the option of the Local Swimming Committee (LSC), seasonal athlete membership may be offered for one or two periods of not more than 150 days per period. The beginning and ending dates of each seasonal period is determined by the LSC.

INDIVIDUAL SEASON: The LSC may also offer a seasonal membership for an unspecified but continuous period of not more than 150 days commencing on the date of registration.

An athlete can only register as a seasonal athlete for one period (Season 1, Season 2 or Individual Season) within a registration year. If they would like to extend their membership beyond the seasonal membership, they are required to upgrade to Premium and pay the difference.

The seasonal membership program offers a competitive swimming program to those athletes who swim for only part of the year. They may compete in USA Swimming competitions below the Zone Championship level.

All seasonal athletes join USA Swimming through their LSC, one of 59 local organizations responsible for administering USA Swimming activities in a defined geographical area. Within each LSC, a designated Registration/Membership Chair is responsible for providing registration information to all interested individuals.

Seasonal athlete membership provides liability and secondary accident medical insurance coverage for the designated period of the membership.

Single-Meet Open Water Athlete Membership

At the option of the Local Swimming Committee (LSC), single-meet open water athlete membership may be offered for the specific date(s) of an open water competition(s). The athlete must compete unattached. Single-meet open water athletes may compete in USA Swimming competitions below the Zone Championship level.

All single-meet open water athletes join USA Swimming through their LSC, one of 59 local organizations responsible for administering USA Swimming activities in a defined geographical area. Within each LSC, a designated Registration/

Membership Chair is responsible for providing registration information to all interested individuals.

There is no limit to how many times an athlete can join as a single-meet open water member during a given registration year. Single-meet open water membership is valid for a period of three days.

Single-meet open water membership provides liability and secondary accident medical insurance coverage for the designated period of the membership.
