Media Guidelines & Information

usaswimming.org/trials | @USASwimming | @USASwimmingNews | #SwimTrials24

Facility Address

Lucas Oil Stadium
500 S Capitol Ave,
Indianapolis, IN 46225

Credentials

Media credential pick-up will begin on June 14th at 3 p.m. ET at the media center in Lucas Oil Stadium. The media center can be located by entering through the southeast gate entrance of Lucas Oil Stadium. Directional signage will guide you to the media center. After June 14, previously approved credentials can be picked up by visiting the southeast gate entrance and visiting the credential pick-up table. If you encounter any issues picking up your credential, please contact Nikki Warner with USA Swimming.

Parking

Please see parking email instructions from Nikki Warner on June 12 for parking pass instructions.

Media Work Room

The media center is located at the start end of the competition pool. There will be wireless and wired internet access for business use. The media workroom will be open during hours that will be posted around the media workroom.

Meals

Lunch and dinner will be provided in the media workroom.

Pre-Meet Press Conferences

USA Swimming will hold pre-meet press conferences with select athletes, coaches and USA Swimming executives on June 14. Only credentialed, on-site media will be allowed to attend and ask questions live, however transcripts will be made available to all interested media.

Athlete Interviews

The Trials mixed zone is accessed via a stairwell through the media center. Only credentialed media may partake in the interview process throughout the mixed zone. No recordings will be provided by USA Swimming.

Media Seating

Select media tribune seating (section 114) will be assigned while media seating at workstations throughout the media center is not assigned. Photographers may utilize the second floor of the media center, while others may use the first floor.

Internet

Wireless internet access will be available throughout the various media work areas. Ethernet connections will be available in the Media Seating Area (tables only), select photographer locations and the Media Work Room.

Journalism Policies

By applying for a media credential for the U.S. Olympic Team Trials - Swimming presented by Lilly, you agree to abide by the Media Policies and Guidelines found on www.usaswimming.org/about-usas/resources/media-information.

Photographer Guidelines

Steven Currie will again serve as the photo chief for the U.S. Olympic Team Trials - Swimming. He will assist and coordinate locations for all photographers in Indianapolis. Complete guidelines will be distributed to all credentialed photographers prior to the event. All photographers must adhere to the photojournalism policies available on www.usaswimming.org/about-usas/resources/media-information.

NBC News Access Guidelines

usaswimming.org/trials | @USASwimming | @USASwimmingNews | #SwimTrials24

This is to advise you that NBCUniversal Media, LLC (“NBCUniversal”) has acquired the exclusive rights in all media to the 2024 U.S. Olympic Team Trials, including with respect to all competitions and exhibitions (practice/training, preliminary, qualifying and final rounds) from the sport of Swimming (collectively, “Trials Material”). NBCUniversal may exhibit Trials Material from the sport of Swimming on any or all of the NBC Television Network (“NBC”), NBC digital platforms (including Peacock, nbc sports.com, nbc olympics.com, and/or the NBC Sports and NBC Olympics apps) (“NBCUniversal Digital Platforms”), and/or other television, Internet, wireless and other platforms owned, controlled by, or licensed by NBCUniversal (collectively, the “Trials Platforms”). These guidelines apply equally to any Trials Material, regardless of the Trials Platform on which it is exhibited.

Use of Trials Material by any other television entity is permitted only if all of the following conditions are satisfied:

1. **Source of Trials Material:** Except as explicitly authorized in writing by NBCUniversal and the applicable National Governing Body (“NGB”), the only permissible source of excerpts of Trials Material is footage that is recorded from NBC or NBCUniversal Digital Platforms. For the avoidance of doubt, Trials Material excludes announcer descriptions, any other audio elements, feature material and interviews appearing in NBCUniversal’s coverage of the Trials, none of which may be used under any circumstances. Certain non-rights holding media accredited by the applicable NGB may record press conferences and interviews with athletes, coaches and officials in designated media interview areas, provided that these locations are away from the field of play.

2. **Use In News Programs Only:** Excerpts of Trials Material may be used only in regularly scheduled television news programs of which the actual news elements constitute the main feature. This excludes programming such as news and sports magazines, news promos and updates, entertainment news programs, magazines and features, sports features and other sports programs or “special programs.” In the case of an all-sports network, excerpts of Trials Material may be used only as part of regularly scheduled general sports news programs and are subject to the other limitations set forth herein.

3. **Length of Excerpts of Trials Material:** Excerpts of Trials Material may appear in a maximum of three (3) eligible news programs per day. No more than two (2) minutes of Trials Material may appear in any single newscast. All-news and all-sports television networks are not subject to this restriction, so long as the combined time of all excerpts (including repeat exhibitions) does not exceed a total of six (6) minutes per day and the other limitations of the guidelines are satisfied.

4. **Airing of Trials Material Only After Trials Exhibition Concludes:** Excerpts of Trials Material recorded off-air on any given day may not be exhibited on such day in any time zone until the applicable Trials Platform has completed its exhibition in such time zone on such day (and, even then, only subject to the other limitations herein). For purposes of clarity and by way of example, a cable network with a single feed may not use excerpts of Trials Material until after the applicable Trials Platform has concluded its exhibition in all time zones in which such exhibition can be viewed.

5. **48-Hour Window:** Excerpts of Trials Material may be used only during the 48-hour period following the time that the use of such excerpts is first permitted under these guidelines.

6. **Courtesy Credit:** The following video credit must be displayed over any excerpts of Trials Material for the duration of the clip: “Courtesy NBC Olympics/USOPC”.

7. Internet Distribution:

a) Under no circumstances may any field of play audio/visual material (e.g., competition or training) be distributed via the Internet and/or digital platforms, including, without limitation and for the avoidance of doubt, any material that resembles or approximates “coverage” (e.g., race calls and other real-time descriptions and accounts of competition). For the avoidance of doubt, it is prohibited to record any portion of NBCUniversal’s coverage “off-air” and distribute such coverage via the Internet. In addition, Trials Material archived via NBCUniversal’s digital media player may not be embedded on third-party websites without the express prior written consent of NBCUniversal. Notwithstanding the foregoing, interviews with participants (e.g., athletes, coaches, officials) that are conducted in designated media interview areas away from the field of play, material recorded at press conferences, and certain material recorded at designated training sessions upon the explicit authorization of the applicable NGB may be distributed via the Internet (collectively, the “Internet Material”).

b) Internet Material may be used only in news coverage and features related to the 2024 U.S. Olympic Team Trials and the 2024 Paris Olympic Games. Internet Material may not be used to promote any other events, programs, or services.

c) Internet Material must be accompanied by a link to <https://www.nbc sports.com>.

d) Although there is no specific limitation with respect to the length and volume of permissible Internet Material, any such distribution should conform to the spirit of these guidelines generally.

e) The exploitation of any Internet Material must be delayed until 30 minutes after its capture. For the avoidance of doubt, Internet Material may not be distributed live, including, without limitation, via technologies exhibited on social media platforms.

f) Internet Material may not be sponsored and/or cannot contain an association with a sponsor or advertiser.

g) Internet Material may not be made available solely to paid subscribers of a website or other service’s content (i.e., such material must be made available in front of any pay wall).

h) All Internet Material must be removed from the Internet no later than July 26, 2024.

2024 Olympic Qualifying Procedure

usaswimming.org/trials | @USASwimming | @USASwimmingNews | #SwimTrials24

How do swimmers qualify for the U.S. Olympic Team at the 2024 U.S. Olympic Team Trials - Swimming?

The USA Swimming Athlete Selection Procedures (pool) for the 2024 Olympic Games Paris are posted on usaswimming.org and outline the official qualifying procedures for athletes vying to make the 2024 U.S. Olympic Team. Athletes must qualify for and compete at the 2024 U.S. Olympic Team Trials - Swimming, held June 15-23, 2024 in Indianapolis, Indiana. If athletes don't compete here, they cannot make the Olympic Team in the pool events.

With a maximum of 26 male and 26 female spots available for this year's U.S. Olympic Team, here are is how the roster will take shape:

1. The top four finishers in each of the 100-meter and 200-meter freestyle events, and the first-place finisher in each of the individual events (other than the 100-meter and 200-meter freestyle) are given first priority.
2. If spots remain, the second priority will be comprised of the second-best finisher in each of the individual events, other than the 100-meter and 200-meter freestyle. Second-place finishers will be added in order of world rankings for the event for which they qualify.*^
3. If spots remain after adding the second-place finishers from each of the other events there is still room on the team, the third priority will be comprised of the fifth best finisher in each of the 100-meter and 200-meter freestyle.
4. If spots remain after adding the fifth-place finishers from the 100m and 200m free there is still room on the team, the sixth place finishers from the 100m and 200m free are added.

The terms and conditions of the official written selection procedures available online shall take priority over any verbal explanation, clarification or interpretation of the selection procedures.

Note: The U.S. Olympic Team will not be official until USA Swimming announces the roster on June 23. This is a brief summary of the official selection criteria document. The full U.S. Olympic Team Qualifying procedures can be found at www.usaswimming.org/nationalteam.

*Second place finishers will only be added when racing is over UNLESS there is room to add all of them.

^Second place finishers must have a World Aquatics A cut.

Overview

- Prelims Date: June 18
- Semis Date: June 18
- Finals Date: June 19
- 2024 Trials Entries: 61
- 2024 Oldest Trials Competitor: Brooke Boak (37)
- 2024 Youngest Trials Competitor: Rylee Erisman (15)

Notable Storylines

- Should Abbey Weitzeil or Simone Manuel qualify for the Olympic Team at any point in the competition, they'll make their third Olympic Team — a mark that fewer than 20 American female swimmers have reached.
- If Weitzeil wins, she'll join the shortlist of athletes to win a single event at three Olympic Trials.

Olympic Games Information

- Olympic Games Paris 2024 Finals Date: July 31
- Olympic debut: 1912
- U.S. medals: 28 (9 gold, 9 silver, 10 bronze)
