You need to use the restroom during the meet but don't want to miss your athletes' next race. So, you quickly run into the locker room and use the bathroom and get back in time for the next race.

1. Are you an Adult Participant?
2. Is this In-Program Contact?
3. Are you breaking the rules of MAAPP by using the bathroom in the locker room?

Your team has a travel meet coming up soon. You have two chaperones going with the team. The chaperones will be staying with the athletes in a VRBO to help save money.

1. Are the chaperones considered Adult Participants in this situation?
2. Is this In-Program contact?
3. Are they violating MAAPP by staying in the same lodging location with athletes?

Implementation Timeline

- January - April: Feedback and Review
- April – September: Review with the U.S. Center for SafeSport Compliance team
- October – December: Local level implementation
