Your ability to access meets are dependent upon your level of permissions. As shown in the image above, you can see some of the meets have blue text and some have a "+" icon on the far right. The "+" icon allows the user to create an OTS Meet. It will only be visible if the member is able to create an OTS Meet. This means that Meet Referees will see the icon if it is a meet that they refereed. LSC Officials Chairs will see this icon if the meet was hosted by their LSC. Members with national level permissions will be able to see the "+" icon on all meets.

The meets that appear in blue text are OTS Meets that have been created. Similar to the "+" icon, the blue text will appear for Meet Referees if it is a meet that they refereed. The blue text will appear for LSC Officials Chairs if the meet was hosted by their LSC. Member with national level permissions will be able to see the blue text for all OTS Meets. To access these meets, you will click the blue text to be taken to different pages based upon your permissions. LSC Officials Chairs and Meet Referees will see the following page after clicking on the blue text:
