

USA Swimming API Access Program Application

Please complete the form below to apply for access to USA Swimming's API Access Program. Each request will be reviewed based on use case, technical capability, and alignment with our mission.

Section 1: Organization Information

Organization Name (Full legal name)	
Website URL	
Organization Type	☐ Team Management ☐ Performance Software ☐ Academic Organization ☐ Academic Student ☐ Other - Please Specify:
Primary Contact Name	
Email Address	
Phone Number	

Section 2: Technical Contact

Technical Contact Name	
Email Address	
Phone Number	

Section 3: Intended Use

Brief Description of Use Case What will your organization use the API for? (Be specific: e.g., need examples)	
Target Users Who will access the data on your platform? (e.g., clubs, coaches, parents)	
How does this support USA Swimming's mission?	

How frequently do you expect to access the API?	☐ Daily ☐ Weekly ☐ Monthly ☐ On-Demand
Is this integration already live or in development?	☐ Live ☐ In Development

Section 4: Requested API Access Tier & Data Scope

USA Swimming provides tiered API access based on vendor role, data sensitivity, and approved use case. Each tier grants access to a defined set of data categories and endpoints. Please review the tier descriptions in the table below and select the tier that best aligns with your integration needs. Your request will be evaluated against your stated use case, technical capability, and compliance posture.

Tier	Tier Name	Description	Purpose
☐ Tier 1	Team Management Base Access	Provides access to GET endpoints (read-only) e.g., club rosters, membership lookups.	Informal or limited integrations. Display of approved USA Swimming data.
☐ Tier 2	Team Management Premium Access	Provides access to POST endpoints (write operations). Requires successful proof-of-competency testing in a sandbox environment.	Vendors with established compliance needing basic data write capability.
☐ Tier 3	Times and Member Verification Access	Provides access to the Member Verification APIs for real-time validation of membership and eligibility and access to Times Verification APIs for real-time validation of entry times and performances	Real time validation of membership and eligibility. Vendors handling meet entries.
☐ Tier 3 (Service Add-On)	Team Management Times Transfer Service	One-time migration for Club Member Times Report. Time Transfer service for Tier 3 access holders only.	Migration service for vendors onboarding new clubs.

Section 5: Security & Compliance

How will API data be stored or processed? Describe your data handling procedures	
--	--

Do you comply with applicable data protection laws (e.g., COPPA, GDPR)?	☐ Yes ☐ No ☐ Not Sure
Will any of the data be shared with third parties?	☐ Yes (please explain) ☐ No
Do you require access to the Test Environment?	☐ Yes ☐ No
If yes, are you authorized to have access to the club's data?	☐ Yes ☐ No

Section 6: Certification & Submission

By submitting this application, you acknowledge:

- USA Swimming may approve, limit, or deny access at its sole discretion.
- All integrations must adhere to USA Swimming's API Terms, rate limits, and data protection requirements.
- Access may be revoked at any time for security or compliance concerns.
- Misuse of member data or unauthorized redistribution is strictly prohibited.
